3  
days

These mountain towns are the kind of places where the lady on Main Street with the kayak over her shoulder throws a neighborly nod your way and the corner barista welcomes customers by first name.

Sustainability Activity  
Travel Like a Local

There are special places and unique vistas around nearly every Colorado corner. You can help ensure these places exist for generations to come by staying on roads and trails, keeping speeds in check, leaving campsites and picnic spots just as you found them, and following instructional signs while you're out and about in our state.
