days

Thick forests and the good old Colorado work-hard, play-harder attitude define mountainous Grand County, home to Winter Park, Grand Lake, Granby, Kremmling and Hot Sulphur Springs. World-renowned hot springs, working guest ranches and Rocky Mountain National Park are just the tip of the winter iceberg.

Itinerary Tip  
Backcountry Safety

Get out in front of backcountry danger this winter, and keep safety top of mind! Seek education and training prior to heading out, or utilize a professional guide or a seasoned mentor to explore Colorado's backcountry. [Find more ways to get informed and stay safe in Colorado.](#)

Sustainability Activity  
Travel Like a Local

There are special places and unique vistas around nearly every Colorado corner. You can help ensure these places exist for generations to come by staying on roads and trails, keeping speeds in check, leaving campsites and picnic spots just as you found them, and following instructional signs while you're out and about in our state.
