Tread of Pioneers Museum

Now that you've done a great job of note taking on an exhibit of the museum, it's time to share your information as a newspaper article. Create a name for your newspaper, a title for your article that lets readers know what your article is about, add your name as the author, include the date your article was written as well as your location. Draw a picture that shows something you mention in your article and then write your article on the lines below.

<i>Newspaper Name:</i>	
<i>Article Title:</i>	<i>Picture</i>
