2. Close your right eye and use the distance focus knob to focus for your left eye.
3. Close your left eye and use the separate adjustment on the right eyepiece to focus for your right eye.
4. Open both eyes and view your subject!

Keeping Colorado Wild

The mission of Colorado Parks and Wildlife is to perpetuate the wildlife resources of the state, to provide a quality state park system, and to provide enjoyable outdoor recreation opportunities including hunting, angling, and wildlife viewing that educate and inspire current and future generations to serve as active stewards of Colorado's natural resources. 7/2012
